What Is Moments for Moms?

Moments for moms is a place to take a break! Enjoy a cup of coffee and some breakfast and be encouraged by older women and learn with those who are in the same stage of life as you.

Through Biblical teaching you will be offered practical help to meet the challenges of motherhood. Each morning has time for socializing, refreshments, devotions, inspirational and informative speakers and time for discussion in small groups.

And you can rest easy to know that your children are in the care of wonderful and experienced caregivers!
