

Where are we going: *LITTLE MAHONING BIBLE CAMP*

Little Mahoning Bible Camp is located near Punxsutawney PA. The camp's purpose is to provide, operate and maintain a Christ centered camp and conference grounds for the glory of God.

Who can go: Any students who are in grades 9-12 for the 2020-2021 school year.

When is the trip: Week of June 6th. The preference is to go the beginning part of the week, Sunday night thru Wednesday morning, June 6 - June 9.

What will we be doing: General repair, maintenance, lots of cleaning, facility prep & groundskeeping to get the camp ready for a full summer slate of activities. This is a seasonal campground, but was closed in 2020 due to Covid, so there is even more to do than would be in a normal year. (the camp has roughly a dozen structures on 215 acres, mostly wooded, but 30 of which are cleared for activities & need maintained.)

Purpose: To serve of Lord by supporting the Bible camp, its mission, and the Kumher family (who are CFC missionaries). To work as a team, build relationships, and grow in our faith as we spend time together in service & ministry.

Other: No fundraising is required for this trip. We are hoping to take at least a team of 12 individuals to help out. There will also be some time for fun in the evenings & possibly a detour on the way home, time permitting 😊

Please let Jason Rohrbaugh (Minister of Youth) know if you want to be part of the team this Sunday the 25th or by Friday, April 30th
