

MISSIONARY PRAISE AND PRAYER  
DECEMBER 2021

Baer, Carlton & Karen – ABWE, East Asia

- **Pray:** For visas for a family wanting to go to Taiwan for Mandarin language study. Their target departure date is January. Pray for another family preparing to move to Northern Thailand next year to join with teammates to minister to unreached East Asians. Pray for a local Syrian family. Karen tutors one of the adult daughters in English. Pray their hearts would be open to reading the Injeel (New Testament).

Braun, Bill & Denise – ABWE, Russia

- **Praise:** Praise the Lord-the roof is on the church building! The two people they have been working with, Olga & Sergei, repented but please pray for them as they take steps to obey the Lord.
- **Pray:** For more funds to be raised for the church building-with recent price increases, they are short funds. For Karina, a young lady who repented but is struggling. For their son, Micah, as he's still trying to determine where God would have him serve in the Air Force.

DOUGLAS, Trevor & Norma – World Team/Philippines  
[ANGOWAN, Dante & Elsa (Jefte, Devine, Ezekiel)]

- **Praise:** They successfully made it to Manila after jumping through many hurdles to get there. A kind lady in their church in Alberta offered to sleep nights at Trevor's mother's house and then help her prepare food for the day. She turned 103 last month and is in good health, except blind to read.
- **Pray:** So much has changed in Ifugao, that it is like they are new missionaries! There are new quarantine rules in each district-who can leave the house and what documents are needed to go from point A to point B. They even bought hair dye to look 10 years younger but so far have not needed it.

MELLETTE, Jerad & Wanda- Quebec

- **Praise:** Great Dodgeball Outreach-4 teens got saved! Women's Conference in November: 42 came out in spite of having no heat at church (need new furnace), no sidewalks & no parking (due to construction).
- **Pray:** Homeless Outreach on December 18; Movie Outreach December 18-19; One of Ravena's friends was murdered-pray for family member's salvation.

MITA, Joe & Noney – BMM/Japan

- **Praise:** They had nine new students which is very big for them! They had the largest attendance with many unsaved family members. They were able to share the clear-cut gospel.

NIZAR NOURI, Haytham & Mary (Jonathan & Jennifer) – IPM/Lebanon

- **Praise:** For the evangelism services that their youth are doing every week in which they are distributing tracts and Bibles in public areas. God is opening many opportunities to talk about His salvation.
- **Pray:** For the choir's preparations for a Christmas event in which they invite new people to present the good news to them.

ORTMAN, Terry & Doris – SEA/Gettysburg, PA

- **Praise:** Doris is healing nicely with decreased pain and no issues with the shield piece that is in there now. She is preparing for the prosthesis to be inserted in January. Terry's wrist healed nicely and had his last visit with the Orthopedist. Praise that Terry can keep in touch with those he ministers with in Zimbabwe and India.
- **Pray:** Doris may experience some discomfort from the spacer which is needed to prepare for the prosthesis. Terry is organizing a young adult "life group" to meet the needs of 18-30 yr. old's that seem to drop out of church. International travel will soon open for Terry to be more active in his ministry.

REYNARD, Don & Rhonda – ReachGlobal/Europe

- **Praise:** Although Don got a bad cold while in Budapest, he was able to engage with his team through important meetings.
- **Pray:** Continue to pray for their health as they travel over the next few months. On December 1 Rhonda will be hosting a game night & farewell to one of the expat ladies that will be moving back to the UK. Pray for this time to draw these ladies to the Lord.

WALTER, Clay & Becky – MAF-Nampa, ID

- **Pray:** They have a number of turbine engines out for repair that have complex problems. Please pray for wisdom and clarity in solving those issues. Pray for Becky and her department as they deal with a huge rush of Christmas letters to process. They have several aircraft around the world unable to fly because of shipping delays in getting needed parts to them. Pray for the programs that are affected and especially for those who they may not be able to serve as quickly as usual. Pray for continued health and healing for many colleagues affected by COVID.

WENGER, Irv & Janet – Avant Ministries/Guatemala

- **Praise:** That Janet's course materials for teaching at SETECA made it through customs and shipping and finally arrived! For visits with our three Smith grandchildren at different times throughout December.
