

MISSIONARY PRAISE AND PRAYER
NOVEMBER 2021

Baer, Carlton & Karen – ABWE, East Asia

- **Pray:** The Global Missions Health Conference will be held Nov. 11-13. Please pray that the Father will be at work through the messages, breakout sessions and exhibit hall to call medical workers to work in His harvest. Karen will serve in their organizations' exhibit booth. Pray that borders in East Asia would open soon. Team members still wait to return and new team members plan to start language learning in Taiwan in January.

Braun, Bill & Denise – ABWE, Russia

- **Praise:** They had a baptism recently and three new ladies are preparing for baptism. Pray for Sergei & Olga who have been attending church and Sergei is studying the Bible with Bill. This past week, the builders began the first stage of the roof for their new church-They are very excited!
- **Pray:** Along with Sergei & Olga, please pray for Irena. These are 3 people who are not saved yet but are searching. Pray that they will be able to finish the building before winter sets in and the safety of the workers. Pray for Roma, one of their pastors who has cancer and recently contracted COVID and for Aleski, a pastor who is HIV positive and has COVID. They both have been struggling.

COCHRAN, Mike & Rhonda – Wycliffe Bible Translators/currently in Dallas, TX

- **Praise:** The Language Technology group gave several good presentations at the 2021 Bible Translation Conference. They are pleased with the good interactions with the Bible Translation community. They are enjoying time with friends and family which is leading to good interactions and renewing relationships as they travel along the East coast this month. They have had beautiful weather over many miles and their car continues to run without problems.
- **Pray:** Chris, a close friend and colleague was hit by a semi-truck while riding his bike to work in Thailand. He is in the hospital with broken ribs, a fractured scapula and various road rash/burns. Pray for healing, wisdom for the doctors and his family (3 school-age kids). In November, they will be attending meetings in Vermont to move forward with their Bible Translation Technology Alliance (Assure). Pray for wisdom as they select the governance model they will be using and as they begin to include other organizations.

DOUGLAS, Trevor & Norma – World Team/Philippines

[ANGOWAN, Dante & Elsa (Jefte, Devine, Ezekiel)]

- **Praise:** They are now here in PA-no issues crossing the border!
- **Pray:** They are on their way to the Philippines, but regulations and restrictions are constantly changing, and they can be turned back at any point. Their vehicle and some of their “Manila Stuff” was not included on their last census, so they won’t be let in. The main purpose of this trip is three-fold: To renew their visa which expires Jan 11, 2022, to close gaps that exist for smooth running of the Bible school and to close their house just in case further work in Ifugao is untenable.

MARTIN, Vicky – Ethnos 360/Philippines

- **Praise:** Four of the missionary families who have been waiting since last year to return have passed the first step of receiving special permission to return. The replacement helicopter is soon to be repositioned there from an island down south. When you read this, it should be up north and in full use!
- **Pray:** She will delay her return due to a COVID outbreak in the village. Pray for wisdom so she knows when to return. Please pray that the next group which includes their new pilot will also pass the first step and will soon be coming to rejoin the team in the Philippines.

MELLETT, Jerad & Wanda – Quebec

- **Praise:** Some fruitful ministry; Joel O’Kill – new Youth Pastor at Grace Church.
- **Pray:** Increased government oppression on churches; Surgeries need to be scheduled for Ravena (feet) and Jerad’s mom (hip).

MITA, Joe & Noney – BMM/Japan

- **Praise:** They recently had an online combined youth meeting with a church in Okinawa located 1,000 miles south of their church. Each youth gave their testimony-it was such a blessing! Many of them are studying at their online Bible school.

NIZAR NOURI, Haytham & Mary (Jonathan & Jennifer) – IPM/Lebanon

- **Praise:** They began a new discipleship class via Zoom in which 10 people are attending. They thank the Lord for the salvation of Hagob, an American man who is attending their church meetings.
- **Pray:** For the preparation of the choir for the Christmas event that they invite new souls to.

ORTMAN, Terry & Doris – SEA/Gettysburg, PA

- **Praise:** Eye removal surgery went well, but Doris had to stay in the hospital overnight for a reaction most likely caused by the anesthesia to her Myasthenia Gravis. They thought she was having a stroke. Terry’s wrist is healing nicely and he no longer needs to wear a splint.
- **Pray:** For Doris’ continued healing in preparation for her visit to an Ocularist in Philadelphia in December to get a prosthesis. Terry’s continued healing and use of his wrist and for open international travel necessary to Terry’s ministry.

REYNARD, Don & Rhonda – ReachGlobal/Europe

- **Praise:** Although they both had COVID last month, they had mild symptoms and recovered well. They were able to be in the States for a short time to help with Don’s parents and to enjoy some grandchildren time.
- **Pray:** Don will be in Budapest for a Europe-wide leaders meeting (Oct 30-Nov 3). They will both be traveling to Brussels (Nov. 17-21). Pray for wisdom for this strategic meeting with the team leader. Pray for health as Romania has extremely high cases of COVID.

ROHRBAUGH, Steve & Donna (Jessalyn, Andrew) – Greenview Bible Camp

- **Praise:** For a great banquet in October and a busy fall retreat season and the ongoing support of their ministry.
- **Pray:** For their Elementary Retreat in January (new this year) and their Teen Retreat in February. Pray for volunteers for several building projects.
