

CFCSTUDENTMINISTRY

Ways for Parents to get involved:

1. Please pray for the ministry. The leadership team of staff & volunteers, the students themselves, and that the activities held may be fruitful.
2. Volunteer to provide food/snacks at Transform events. The following links will be emailed out this week. They will also be posted on cfc's student ministry page.

Senior High: volunteersignup.org/MF7YD

Junior High: volunteersignup.org/4WM7T

3. Be a host family for Connect weekend 2020. 😊 This is happening in just a few weeks, October 10th – 11th. The majority of activities will be held at CFC, with an afternoon outing off campus around Lancaster county. The responsibility of a host family would be to provide a place for one of the small group units (5-8 students + 2 leaders) to crash for Saturday night & provide breakfast in the morning if able.
4. Student Ministry could use some “new to us” furniture. If you have any 2 or 3 person couches that you no longer need, consider donating!
