

**BILL & LORI SMITH**  
serving in PAPUA NEW GUINEA  
with ABWE

**BIRTHDATES:** Bill - June 18; Lori - May 20;  
Amotowe - November 2; Aaron - August 16

**ANNIVERSARY:** July 20, 1985

**ADDRESS:** PO Box 456, Goroka EHP, Papua New Guinea

**E-MAIL:** wsmith@abwe.cc or lorismith@abwe.cc

**WEBSITE:** www.billandlorismithpng.com

**RESPONSIBILITIES:**

Bill now serves as the ABWE PNG field coordinator. GBBC has asked him to serve as the Chancellor of the college. His ministry continues to be one of mentoring, assisting, and development of National leadership both in the church planting and at GBBC. Bill serves as the interim pastor of Rapture Baptist Church, one of our larger town churches assisting them to call a new pastor.

Lori has just returned home after being in the USA, getting a follow-up check for her cancer surgery 3 years ago. She continues to run the clinic as a tool of medical evangelism that is an integral part of church planting and continues to work with ladies and children's ministries at Rapture Baptist and several Bena village churches as well. Our baby foster care ministry also continues to reach into families in need.

**PRAISE:**

- \* Lori has miraculously been able to return to PNG despite Covid-19 challenges and restrictions.
- \* GBBC continues to grow and the national leadership development and nationalization of the programs and school is progressing. Our accreditation process is on hold due to Covid-19 issues.
- \* Now that Lori is back, their clinic is fully operational again.

**PRAYER:**

- \* They need to replace their clinic facility after the foundation cracked from recent land slides. For finances for needed medical supplies, protection of their staff and family as COVID-19 is now rapidly spreading in PNG. The message of the Gospel is so needed right now.
- \* For the ongoing development of GBBC. For maintenance projects, the accreditation process and for the students as they struggle with school fees this year.
